

Invest in Gold

BALDOR • RELIANCE

Electric motors consume 63 percent of all electricity used in U.S. industry. Designed and built to meet or exceed NEMA Premium[®] efficiency standards, Baldor • Reliance[®] Super-E[®] motors run cooler, last longer and cost less every minute they operate.

Fractional to 15,000 Hp, Baldor • Reliance Super-E motors reduce your electricity costs with a return on your investment that's as good as gold.
